The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Mr. MENENDEZ. Madam Speaker, due to President Biden's invite to attend an event related to the Hudson Tunnel Project, I was unable to vote. Had I been present, I would have voted “nay” on rollcall No. 95 and “nay” on rollcall No. 96.

PERSONAL EXPLANATION

Mr. GOTTHEIMER. Madam Speaker, I missed the following votes due to travel with the President related to the Gateway Train Tunnel project. Had I been present, I would have voted “nay” on rollcall No. 95 and “nay” on rollcall No. 96.

PANDEMIC IS OVER ACT

Mr. GUTHRIE. Mr. Speaker, pursuant to House Resolution 75, I call up the bill (H.R. 382) to terminate the public health emergency declared with respect to COVID-19, and ask for its immediate consideration in the House.

The Clerk read the title of the bill.

The SPEAKER pro tempore (Mr. LATURNER). Pursuant to House Resolution 75, the bill is considered read.

The text of the bill is as follows:

H.R. 382

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Pandemic Is Over Act”.

SEC. 2. TERMINATION OF COVID-19 PUBLIC HEALTH EMERGENCY.

The public health emergency declared by the Secretary pursuant to section 319 of the Public Health Service Act (42 U.S.C. 247d) on January 31, 2020, entitled “Determination that a Public Health Emergency Exists Nationwide as the Result of the 2019 Novel Coronavirus” (and any renewal thereof) shall terminate on the date of the enactment of this Act.

The SPEAKER pro tempore. The bill shall be debatable for 1 hour equally di-

vided and controlled by the chair and ranking minority member of the Committee on Energy and Commerce or their respective designees.

The gentleman from Kentucky (Mr. GUTHRIE) and the gentleman from New Jersey (Mr. PALLONE) each will control 30 minutes.

The Chair recognizes the gentleman from Kentucky (Mr. GUTHRIE).

GENERAL LEAVE

Mr. GUTHRIE. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks on the legislation and to insert extraneous material on H.R. 382.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Kentucky?

There was no objection.

Mr. GUTHRIE. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, today, I rise to push for immediate and overwhelming passage of my legislation, H.R. 382, the Pandemic Is Over Act.

President Biden and I both agree that the COVID-19 pandemic is over. In fact, on the eve of the Pandemic Is Over Act going on the House floor, President Biden finally announced that he is going to end the COVID-19 emergency declarations. I am glad that my bill finally forced the Biden administration to act.

However, President Biden has taken too long to act on his statement last September that the pandemic is over, which is why I am moving forward with my bill to end the COVID-19 public health emergency and finally restore checks and balances between Congress and the executive branch.

There was a time and place for the COVID-19 public health emergency. On this day 3 years ago, then-Department of Health and Human Services Secretary Azar first invoked the COVID-19 public health emergency.

The COVID-19 public health emergency was used at the beginning of the pandemic to establish Operation Warp Speed and provide for CMS waivers that led to millions of seniors receiving critical healthcare services through mediums such as telehealth and removing various forms of red tape getting in the way of healthcare providers' ability to care for their patients.

Now, exactly 3 years later to the day of the original disaster public health emergency declaration, we are in a much better position to address COVID-19. We have proven therapeutics in addition to 95 percent of the population either being previously infected with COVID-19 or vaccinated. A senior administration official even stated, “We are in a pretty good place in the pandemic. . . . Cases are down dramatically from where they were the past two winters,” according to Politico reporting.

It is long overdue for President Biden to unwind the public health emergency. Despite overwhelming evidence that COVID-19 is now endemic and that
